

MEMO TO: Anyone Concerned
FROM: Freddy Snakeskin
DATE: July 12, 1991
RE: Missing/Reward

During my absence for the next few days, I would appreciate your cooperation (as well as anyone else's) with regard to the following:

If, by any chance, you (yourself), or anyone else reading this memo may have -- for one reason or another -- "borrowed" any of my personally owned records and/or CD's from the control room, I would be really grateful if -- upon my return Tuesday (7/16) -- all missing items were returned to their rightful places. That is, please put them back in the control room (or anyplace else) they may have last been seen.

This would make me really happy. Not only that, no questions need ever be asked (or answered); no accusations/confrontations or investigations need be initiated or even contemplated.

Otherwise, I will track any and all thieves to the ends of the earth and personally rip your guts out and have them for breakfast.

I trust I have made myself clear in this regard. Thanks in advance for your cooperation in this matter.

Cordially,

A handwritten signature in black ink that reads "F. Snakeskin". The signature is written in a cursive, somewhat stylized font.

P.S. By all means, please feel free to circulate this memo as freely as possible...
